Jeff Plane – Hooper City Planning Committee

Discussion: SAGE (Student Assessment of Growth and Excellence)

- Common Core Testing is now **SAGE (Student Assessment of Growth and Excellence)**.
- Utah's computer adaptive assessment system aligned to the state's core standards. This comprehensive testing system includes the following summative, interim, and formative components. SAGE Summative: Summative adaptive assessments required for state and federal accountability provided for English language arts (ELA), math and science. SAGE Formative: Optional learning resources, test items, and learning activities available to teachers, parents and students, linked to students' summative test results. This is the portal to all things SAGE. Use this site to access test administration functions, training, and other resources, and to download the secure browser. For more information go here: <http://sageportal.org/>
- Mr. Proffer told the council, that adaptive testing hasn't changed. Teachers will be entering student data into the SAGE portal, SAGE will decide what type of test students will taking.
- However it will be a long process:
  - Each section = 2, one hour sessions
  - Testing will be starting March 24 and will continue thru May 16<sup>th</sup>.
  - 140 hours use in labs

Discussion: Hooper city transportation plan

- Jeff Plane (Hooper city planning committee) discussed draft for transportation plan, and the need for volunteers for committee.
- Crosswalks on 5750 S 4525 W
  - Signage, speed, stop signs
  - Safety is a big concern of parents
  - Concerns on 4650, driveways are being blocked by parents picking up students
- Mr. Proffer commented, "The school has done everything we can, and can't do anymore, it's up to the parents to organize walking and driving pools."
- Sidewalk proposed on north side of 5500

- Suggested possible stop light on 5500 S 4300 W

Discussion: Parent volunteers for transportation plan committee.

- Volunteers will be meeting at Hooper City Building
- Draft to be finished by mid-May
- General review due in June
- Kim Crump volunteered for the committee representing Freedom Elementary

Meeting adjourn: 5:02
